

That man was one of the greatest men in Umuofia. You drove him to kill himself; and now he will be buried like a dog...

SHUT UP!

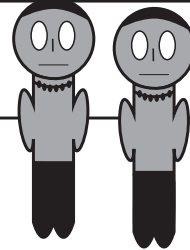

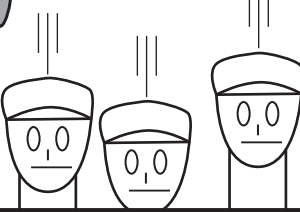

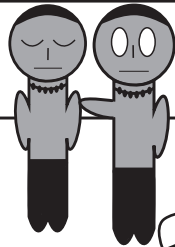

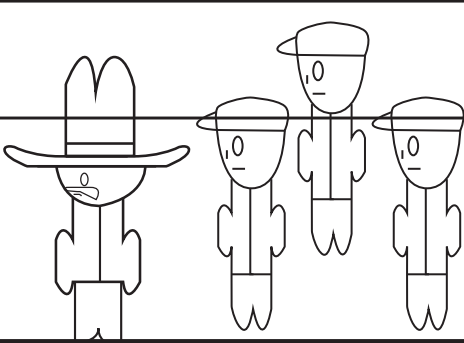

Sah?

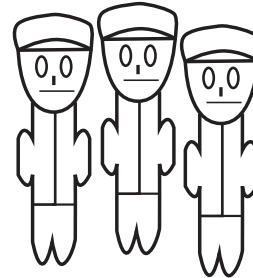

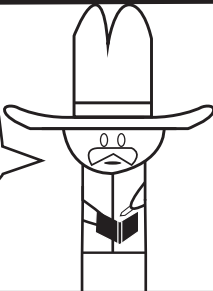

Yes Sah!

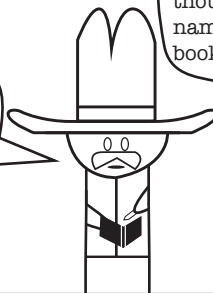

Take down the body.

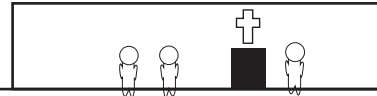

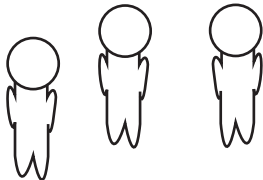

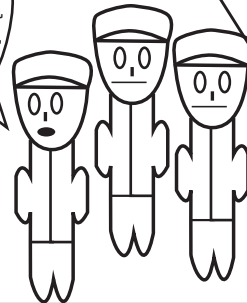

The story of this man who killed a messenger and hanged himself would make interesting reading. One could almost write a whole chapter on him... Perhaps not a whole chapter but a reasonable paragraph, at any rate.

There is so much else to include, and one must be firm in cutting out details.

Have ya thought of a name fer ya book, sah?

I have. After much thought, I decided to title my book: "The Pacification of The Primitive Tribes of The Lower Niger"
